This letter is to correct the Lake Geneva-Genoa City UHS School District's December 8th snapshot.

DPI's snapshot is showing that our Graduation Plan did not publish. This is due to an issue with our SIS (PowerSchool). In talking with Powerschool, I understand this will be a fix in the next update.

Please accept this letter as notification of the error. Thank you for helping us with this.

Sincerely,

**Dan Schmidt**  
Director of Technology
